Hi Sarah-

Just a heads up: I received notice this morning that there is a Superior Court case in New Bedford on 2/21/2012 in which I may be needed to testify as I analyzed the drugs in that case. I realize that this is the same day as the [REDACTED] trial, but I am hopeful that I will still be available if you need me as New Bedford wants me on call and I doubt they will actually get to me on the 21st - more likely on the 22nd or 23rd.
